Wednesday, Sept. 26, 6:30 - 8 p.m.
Homestead Elementary School, Gym
7451 South Homestead Parkway, Centennial

Thursday, Sept. 27, 6:30 - 8 p.m.
Lone Tree Arts Center, Event Hall
10075 Commons St., Lone Tree

The C-470 Corridor Coalition was formed in February 2011 to provide a forum for local governments, business organizations and citizens to consider funding options and to ultimately reach consensus on a plan to pay for implementing C-470 improvements between I-25 and I-70.

Join us at an Open House to:

Learn about the Technical Solution

The identified technical solution is to add an additional lane in each direction plus an auxiliary lane between interchanges where warranted as a first step. The long-term solution includes two additional lanes each direction plus an auxiliary lane between interchanges where warranted.

Explore Funding Options

Option A: One Express Lane between I-25 and Wadsworth (inside left lane) would be tolled and the two outside general purpose lanes would not be tolled.

Option B: The entire segment between I-25 and Wadsworth (all three lanes) would be tolled.

Option C: No lanes would be tolled, but funding for improvements would come from other sources (such as sales tax or property tax).
